

SUMMER 2006

For Teens ages 13 - 19

Feel the Music!, [Tuesday's Children](#) and the [RECYouth](#) program of the NYC Parks Department have partnered to offer free audio and video production workshops for teens. This is a unique, hands-on summer experience taught by renowned professionals using state of the art equipment

Feel the Music! Audio and Video Production Workshops

- RECYouth's summer teen programs are free for youth ages 13-19.
- RECYouth's Video Production curriculum is centered on technical training in camera operation, sound production and Final Cut Pro editing, with a foundation in research, writing and storyboarding.
- Project production, from fictional narrative to experimental documentary, provides a strong technical vocabulary and an outlet for creative expression.
- Students are encouraged to collaborate through team-building activities and sharing responsibilities.
- During our summer programs, youth rotate jobs, learning how to direct, shoot, mic and edit, ensuring experience with all aspects of production.
- Upon completion, work is featured at public screening events and submitted to festivals and for television broadcast.
- **WHEN:** Tuesdays and Wednesdays, 12 to 4pm, with an optional field trip on Thursdays.
Program Dates: July 11 to August 16th
- **WHERE:** Hamilton Fish Recreation Center, 128 Pitt St. @ Houston (NYC)
- Limit of 15 students.
